STEPS TO ENROLL AT UNC CHARLOTTE:

- Register for courses. New students must receive academic advising through a SOAR (Student Orientation, Advising and Registration) session or by scheduling an advising appointment through their major department before they can register for courses. To register for courses, log in to your My UNC Charlotte account at my.uncc.edu and click the Class Schedule link.
- Turn in your immunization forms to the Student Health Center. North Carolina state law requires that you submit immunization records. Non-compliance with this law results in being withdrawn from classes. For immunization requirements and more information, visit studenthealth.uncc.edu.
- Waive or enroll in UNC Charlotte's health insurance. All students are required to show proof of health insurance or pay the fee for semester coverage through the University. To waive or enroll, visit studenthealth.uncc.edu/insurance.
- The Office of Disability Services works with all students to ensure equal access to UNC Charlotte's campus and educational programs. For more information about getting connected to disability services or accommodations, visit ds.uncc.edu or call 704-687-1395, 704-687-0040 (tty/v).
- Complete all financial aid requirements outlined in your My UNC Charlotte account. If you have applied for financial aid, please be sure to check your award status in my.uncc.edu. For more information about applying, deadlines, and receiving your aid, visit finaid.uncc.edu.
