IS THIS YOUR FIRST SEMESTER BACK AFTER SOME TIME? HERE ARE SOME SUGGESTIONS WE HAVE FOR PREPARING FOR THE FIRST WEEK OF CLASS AND A SUCCESSFUL SEMESTER.

EMAIL
Email is the official form of communication for the University. As an incoming student, you are going to be receiving important and potentially time sensitive information through your UNC Charlotte Gmail account and staying on top of that will be very important for you. Reference the Information and Technology Services website for help and tips.

IMMUNIZATION & HEALTH INSURANCE
UNC Charlotte does have health insurance and immunization requirements. You can review the requirements for both of these through the Student Health Center website.

CONNECT WITH SERVICE OFFICES
Before the semester starts, you are also going to want to connect with any office that you will need for specific services such as the Office of Disability Services, the Veteran Services Office, or Niner Central.

TIME MANAGEMENT
Buy a planner or utilize an electronic calendar. Enter the dates from your syllabi the first week of class as soon as you get them. Also, include important registration dates from the Academic Calendar such as drop/add, withdrawal, and registration deadlines.

WRITING RESOURCES
It may be a while since you have had to write a college paper, and there are resources to help prepare your writing to meet your professor’s expectations. Explore the Writing Resource Center and use the Librarians in the Atkins Library to learn how to research, revise, and become a better writer.
